

On behalf of the Ellsworth High School Alumni Association, I would like to thank you for considering a sponsorship or donation towards our First Annual Cornhole Tournament For Scholars. All proceeds raised at this event will help benefit the EHS Alumni Scholarship Program which awards college scholarships to EHS seniors and alumni!

On November 18, 2023 we will be hosting this fundraising event at the Ellsworth High School Gymnasium in Ellsworth. This is a rain or shine event and our hope is to not only attract individuals that want to play in the tournament but also individuals that want to watch and support our fundraising efforts. We will be having prizes for 1st and 2nd place winners, a raffle and food items available for purchase throughout the day.

We hope you will consider supporting this event by becoming a sponsor for \$200.00, registering a team or making a donation. We will advertise sponsorship by providing a business name or logo on our event banner and advertisements! Please contact me with any questions, ehsaa.me@gmail.com
