Class of “66” Stuart Taylor Scholarship

After two meetings of the class “Reunion Committee” to organize and plan this year’s Class of ‘66’ “50th Class Reunion”, it was decided unanimously to proceed with the proposed 50th anniversary “Class Project”, the establishment and funding of an annual EHS scholarship in honor of Coach Stuart Taylor. There will be (2) scholarships awarded to benefit the graduating class’s best female and male athletes as voted by their classmates, with a \$500.00 award annually, to be announced at Class Night and made payable to the

students selected at the beginning of the 2nd semester of their freshman year.

The scholarship will be known as “The Class Of ‘66’ Coach Stuart Taylor Best Class Athletes’ Scholarship” and will be funded by voluntary donations, made payable to: Ellsworth High School, 299 State Street, Ellsworth, ME 04605. Please notate all checks “For the Stuart Taylor Scholarship Fund”, said funds to be managed and awarded by the Ellsworth High School Guidance Department annually.
